What is the biggest challenge you have with your dog at a test?

Have you failed a test(s) at the level you wish to title, what happened?

Do you want to bring your dog , if yes. Why ?

Does your dog have its HR title?

Are you familiar with drills you can do with your dog to prepare him/her for the test level you seek?

Do you train with your HRC club on it's training days, or with any partners ?

What do you want to get out of this clinic?
